WASHINGTON STATE NEWSLETTER

September, 2010

Hello there Washington State GWTA!!!

Welcome to our first State Newsletter! Sit back, relax and take a few minutes to catch up on the happenings around your state. This month, you'll also get to know a little bit more about each of your new State Staff. But first, a word from your State Directors in "Simply Stated."

SIMPLY STATED

Hello All,

Cameron and I are proud to be your State Directors and want you to know that we are committed to supporting you as members and assisting your chapters to achieve growth and prosperity.

But first, we'd like to take a moment and thank Don & Carol Sims for their leadership as your previous State Directors. For the last 3 years they, and their dedicated staff, worked hard to increase membership with 2 new chapters being formed (Congratulations chapters N & M!), worked their tails off to bring you 3 great rallies, and many behind the scene decisions were made to keep your state running smoothly. While the road was not always a smooth one, they were always on top of their game, keeping the information flowing with smiles on their faces. **THANK YOU** Don & Carol for your passion & dedication to Destination Friendship!

As most of you have heard, we want to focus on the aspects of fun and friendship within the organization and feel that getting back to the basics is necessary to strengthen the foundation that the GWTA organization in Washington is built on.

With that said, it is not our intent to dictate how any chapter or member should operate but would like to share ideas gathered from others and best practices learned from each other. We all have great ideas that should be shared with other chapters. Some of these ideas are being implemented now and some are still in the conceptual stages, but we as State Directors want to be your conduit to sharing your ideas throughout the State of Washington, and beyond.

Beyond, you ask? Cameron and I are committed to working closely with Region A and want to utilize the Region Directors and their staff as our voice throughout this great Region of ours. Your ideas will be shared with them to be sent on and presented to other State Directors and Chapters to assist in their continued growth. Additionally, we hope these ideas and changes will be presented to National to be shared with all Regions.

As we have recently witnessed at Gold Rush in Billings, Mt, Region A has the best spirit in its Chapters and Region A is one of, if not the single strongest Region in the GWTA organization. Cameron and I want this Region and its Chapters to champion the cause of promoting your ideas across the nation. It's a large undertaking but we believe in you and have faith that your voices can, and need to be, heard to strengthen the organization.

We are very close to securing a location for our State Rally in 2011. The official announcement will be made at the Officer's Meeting on September 18th. Our staff has been very helpful in sharing their ideas to "kick it up a notch" and will hopefully make this rally one of the most memorable for you. Please feel free to share any ideas you may have that you believe will add to the fun at our rally. Stay tuned for more updates.

Please know that Cameron and I are available to assist you, the members, with any needs you may have. We are open to speaking with each and every one of you so don't be shy about seeking us out. Also feel free to speak freely with your Assistant State Directors or any of our staff. We are all committed to increasing the fun and improving your GWTA experience so that you will invite friends and the people you meet on the journey to join our wonderful organization. We can all use more friends!

~ *Steven and Cameron Gillit* ~
Washington State Directors`

LET'S GET TO KNOW YOUR STAFF...

STATE DIRECTORS: *Steve & Cameron Gillit, serving all Chapters*

On a beautiful September day in 2003, we rode our then GL1200 to the Ride For Kids event. When we arrived, we didn't know anyone and were the only ones there with Texas plates (we had just moved back to WA 2 days before after being gone for a couple of years). Len & Rosa Johnson, with Chapter V, saw us and said, with open arms, come ride with our group! What a great decision. A month later we came to a meeting and joined on the spot. A short time after, we went to a mall show in Puyallup, where we purchased the beautiful magenta 1995 GL1500 that we now own (NOTE: Cameron has never brought the check book to a mall show since :). 3 years later, we became Chapter Directors and did so for 4 great years! We were married on Valentine's Day in 2004 in Las Vegas (Steve will say so that he won't forget; don't worry - he won't! Tee hee).

Kids? Well not exactly... a dog who thinks she's a human and 2 cats who think their dog is strange, but keep her around for their daily amusement. Our awesome ride just turned 210,000 miles and we're looking forward to the next 200,000 with all of our friends that we so dearly call *FAMILY!*

ASSISTANT STATE DIRECTORS - NORTH: *Larry & Kay Cohenour, representing Chapters B, I, C, N & M*

There is no better way to see a lot of our great Nation than from the seat of a motorcycle. Kay and I have been riding together since we were teenagers. We started out on my 175 Enduro and have graduated up to touring bikes over the last 40 years. One memorial trip was in California. We were cutting over from the Coast Route thru Jedediah Smith State Park on HWY 199 on our way to visit the Oregon Caves. (These caves are a great place to visit if you don't mind tight places.) It was a bright, sunny ride on a narrow two lane road full of curves. HWY 199 follows along a fast moving river on the south and high cliffs on the north. In an area with basically no shoulders along the road, a huge motor home decided to take a curve wide and was headed directly toward us in our lane. At that exact moment, Kay looked up. All I heard was "EEK - motor home - rocks - river". You know it is bad when she can't form words into sentences. However, we were in no real danger as I had already calculated my out. Continually look ahead of yourself and plan for an escape route just in case! What made it one of our most memorable rides was that after about 30 years of riding together, I finally got an "EEK" out of Kay.

ASSISTANT STATE DIRECTORS - EAST: *Jeff & Margie Richards, along with their daughters Carly & Melanie, representing Chapters G, U & Y*

Who got me involved in this crazy organization anyway? Well about 1983 or 84 I (Margie) was welcomed into the organization by family members. One who was a State Director (Dale Berlin -God rest his soul) back in the GWRRA days along with a jovial uncle (Bob Stewart - God rest his soul) who rode on the drill team in the early days. Then recruiting some of my own family Jann & John Lawson shortly thereafter. I also gave birth to a couple new members over the years Carly - 20 & Melanie - 13. Then I recruited my boyfriend (now husband) into the organization. Although he had ridden some type of motorbike since his early childhood nothing quite like a Goldwing. He fit right into the fun of it all and quickly started volunteering for activities. I guess he had to if he was going to keep up with me. We are currently on the Westside of the state, but are eagerly working towards building our dream home on property in Spokane and plan to be eastside residents by next summer. Thus we accepted the position as the new Eastside Assistant State Directors and we look forward to working and visiting with our eastside chapters encouraging new members to join in the fun and meeting new friends (aka extended family).

ASSISTANT STATE DIRECTORS - CENTRAL: *Mick & Mary Rairdin, representing Chapters A, Q, E, Z & S*

We are Pioneer members of GWTA since it's beginning in 1987. We have been involved as Chapter Directors, Assistant Chapter Directors and also as Ride for Kids Task Force leaders. I haven't learned how to say no ~ yet. Mary and I have been riding together for 45 years, have traveled to all but 6 of the lower states and have owned 18 motorcycles (not all at once). Our goal as Assistant State Directors is to see our chapters grow both in spirit and numbers. More friends = MORE FUN!

ASSISTANT STATE DIRECTORS - SOUTH: *Terry & Cheryl Bartley, representing Chapters D, L & V*

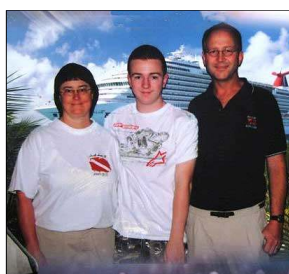

We're baaaaack!! No, wait. Wrong movie. Seriously, when Steve and Cameron asked us to do this we looked at each other and thought "no way." Then we talked it over with them and listened to their ideas & thoughts and realized that we wanted in on all that FUN and hey ~ we didn't really need sleep and heck we haven't seen our yard in years anyway and our family...oh wait! GWTA IS our family! So the decision was actually made for us right then!! We've belonged to 'TA since 1996 and it truly has become our life. The best friends we've ever had are here, the most fun and yes, the most heartbreak. We've been Chapter Directors, Assistant Chapter Directors and Assistant State Directors (*again*). We tell everyone the more you put into it ~ the more you get out of it and we fully believe that. Our fervent wish for everyone is that they can also see, feel and love the life that GWTA has shown us.

RIDER EDUCATION DIRECTOR: *Ron Matthews, representing Safety & Education within all Chapters*

Hi all ~ I'm Ron Matthews your Rider Education & Safety Officer. I will give you a little background of my riding, etc. I have been riding on and off for about 50 years and have ridden about every type of bike, from European, Metric and Harley ~ even some scooters. (Cushman). I currently ride a Harley, mainly for my knees that were giving out while riding my Wing, as I could not stretch out. If you need help with Rider Education & Safety let me know. I (we) are here for you! If I cannot answer your question, then I will find the answer for you. You can email at RED@gwta-wa.org. Thank you, Ron Matthews

STATE STORES: *Craig & Lisa Alberts, along with their son, Erik*

Hi everyone ~ We are Craig and Lisa Alberts and are your state stores folks. We just got done being ACD's to Steve and Cameron in Chapter V and thought we'd continue the fun! Craig is still the chapter webmaster and I will still do Green Freeze registration, so we still have active roles in our chapter. Lisa began riding dirt bikes in 1971, street in 1984. Craig got his first dirt bike in 1976 and street bike in 1985. Lisa started out in Rider club in 1986 and Craig joined her in 1989. We belonged to that for a few years then joined Mom and Dad with GWTA after Erik was born. I can remember all the fun they had being on State Staff and hope we can continue the tradition!

TREASURER: *Lorine Hegel* / **RALLY & VENDOR COORDINATORS:** *Terry & Lorine Hegel*

We joined Chapter V in August, 2008. We have always been the kind of people who get involved (maybe over-involved) in the groups we believe in. We knew GWTA and Chapter V were our kind of groups from the first meeting we attended. We enjoy group riding and having fun, which is what GWTA is all about. We are lucky enough to both be school teachers so our summers are free to tour the country and that is what we did the month of July ending up in Billings for our very first Gold Rush, where we were lucky enough to be one of two couples awarded Rookie of the year. We look forward to serving the state of Washington GWTA. Like Cameron and Steve say, "Let's get this party started!"

STP COORDINATOR: *Lois Olson, working with all Chapters & directly with Cascade Bicycle Club*

When asked to give a snippet of ones life you think, ok I can do this but when you sit at the computer with keyboard under fingers, well it is another thing. So here goes. My husband had been a bike rider long before I came along. Wonderful friends of ours got a beautiful GoldWing and we decided we would love to do something like that too. Our first wing was a GL1000 and was nothing special or fancy but it did start us on our love of riding. I was the passenger and he the driver. Our friend took us to some meetings of a new club starting up in Longview and it was the beginning of GWTA. It took us a bit but we

decided we enjoyed the people and maybe it would help me to get over my shyness. February, 1988 we joined GWTA Chapter L Lawelatla Riders (now known as Smoking Mountain Riders). I started riding out of need to, with two children and one bike something had to be done. I had ridden his Kawasaki and enjoyed it and so my first bike was a 650 Yamaha. With it not being in the best riding condition we quickly found a 750 Yamaha and I loved it. I got my license and we were riding as a family and loving it. Kids got older husband got a newer Gold Wing but I still had my good old 750. After trying to convince me to ride his 1200, I finally did and that was it; I was in love with the Honda GoldWing. It wasn't long and I was looking for my very first GoldWing. We found my beauty in Olympia; it was a 1984 1200 with 4,000 miles and was in excellent shape. Also a super buy. I was a very proud owner and I did as much riding as I could. We were still very involved with Chapter L. I took on such jobs as: Mall show coordinator, Burger Bust coordinator, newsletter editor and assistant chapter director and chapter director among other smaller volunteer jobs. It was my family, and I was getting over being very shy. 1995 came along and Bill got a new 95si 20th anniversary edition GoldWing 1500. Pearl Magenta and it was a dream to ride. Needless to say with riding his and breaking in a friends 95 for him, I just had to have one too. With it being our 20th anniversary year Bill decided to get me my very own new not even out of the crate matching GoldWing. With many rides and fun adventures we divorced in 2003, we remained friends and I kept my GoldWing and have been riding ever since. I took on being Chapter Director for Portland Oregon Chapter P as they lost their director and looked like they would fold. I was asked by some friends if I would be willing to take on the job to keep it going as best I could and hopefully get it up and going again. As you see today it is thriving and growing all the time. I still have my 95 pearl magenta wing with a few road weary pits and dings and wear but she is still my love and I try to ride as much as possible. GWTA is truly my family and I hope to be a part for many more years to come. Lois Olson, Life Member #801

STATE WEBMASTER: *Denny Wright* / **STATE RALLY REGISTRATION:** *Yvonne "Waffle" Wright*

We are Denny and Yvonne (Waffle) Wright. We've been GWTA members since 1988 and have attended 20 of the 23 Gold Rush Rallies and all but the first Washington State Gathering and have enjoyed every one of them. Waf became involved at the region level in 1990 and after noticing she was having more fun than I was, I decided to jump in also. I wrote a few articles and in a couple of years, Waf and I were asked, by newly appointed Executive Director Vince Ash, to be on the national staff. Waf and I wore many hats on the national staff for 14 years and retired in 2007. That lasted a couple of weeks when Don and

Carol Sims asked us to join the Washington State staff. A speech impediment, which does not allow my tongue to reach the roof of my mouth to say the word "NO," had ended that retirement. We've had a blast in GWTA! We've ridden in 46 of our beautiful states, five Canadian provinces, Poland and the former Soviet Union in 1991, all made possible because of GWTA. Best of all ~ we've enjoyed friendships everywhere GWTA has taken us, and who knows what the future will bring as we continue our journey with Steve and Cameron.

Family of the Year!

Do you have a special family in your Chapter that deserves recognition?

Here is a great way to tell them how special they are! The Family of the Year program recognizes the hard work and dedication that member's and their families enthusiastically give to their fellow members and community.

So the time has come to ask each Chapter to submit someone from their Chapter to serve as Family of the Year ~ 2011. All the information you need can be found in the TA Way on the National website (www.gwta.org). Then... click on the TA Way Manual in the left column; click on section 3, National Program Outlines; then simply click on the Family of the Year Program link. Please submit a photograph, with a biography (or resume), regarding your nominee to Steve & Cameron Gillit (statedirector@gwta-wa.org) no later than November 30th.

Here's a brief synopsis from the TA Way...

Selection Guidelines...

1. The program will be open to all families except operation officers higher than chapter director and their families. Chapter directors and assistant chapter directors and their families are eligible to participate.
2. A family unit generally consists of two adults and any household children.
3. Family of the year participants must be members of GWTA in good standing.
4. The GWTA membership of a selected Family of the Year must not expire during their tenure and/or title period.
If a member should be holding a chapter, state/provincial, regional or national Family of the Year honor, and during their term be elected or appointed to an office above Chapter Director, they will not need to give up their Family of the Year status.

Selection Process...

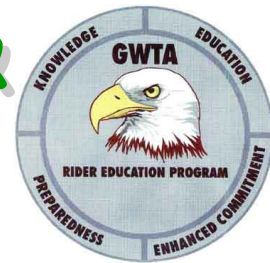

November: The chapter director conducts the Family of the Year appointing process for the next year. Nominations may be solicited at a meeting and families nominated from the floor, or the Chapter Director may ask for submissions in writing. The chapter may also use a selection committee. Once the chapter Family of the Year is selected, the chapter director works with the newly nominated Family to prepare their biography (or resume), as well as preparing written justification for the chapter selection. This information is sent to the state/provincial director, supporting their candidate for state/provincial family of the year. (Must be in the state/provincial director's office no later than November 30).

January: Each state/provincial director appoints a Family of the Year Selection Committee to review the chapter nominations to select their representative for the state/provincial family of the year. The selection for state/provincial family of the year is based on information contained in the biographies and justifications submitted by the chapter directors. Alternatively, the State/Provincial Director may elect to conduct interviews of the chapter representatives, either via telephone or in person at a state event. Once selected, the state/provincial director prepares a written justification supporting their candidate for regional family of the year. This justification along with the biography and justification from the chapter director is forwarded to the regional director (must be in the regional director's office no later than January 31).

March: The biographies for the regional families of the year are submitted to Touring News by the executive director to be published prior to the annual Goldrush rally in July.

July: The executive director will appoint a Family of the Year Selection Committee to conduct interviews of the regional representatives on Monday morning prior to opening ceremonies at Goldrush. The Selection Committee will inform the executive director of their decision. The executive director makes the announcement for the National Family at opening ceremonies. All Regional representatives who are interested in being considered for the National Family of the Year honor must be present to participate in the interview process. If financial obligations are keeping a Regional representative from attending Goldrush, the Regional Director may consider covering some of their expenses at Goldrush from the Regional treasury.

Rider Education & Safety Corner

The sun shines, the birds sing and riders across the country swing their leg across their two/three wheeled steeds to hit the open road. This article is to remind all riders of a few basic rules to follow to ensure that everyone, riders and non-riders alike, can enjoy a beautiful and safe riding season.

1. Get properly trained and licensed - The best first ride is a rider course. Riding is serious fun and proper training is crucial. However, half of all riders today have never taken a proper safety class. There are many skill levels, basic rider course, advanced riders courses and street rider courses. No matter how skilled you may be, even the pros practice the basics to keep their skills sharp.
2. Wear all protective gear, ALL the time - T-shirts and shorts are good for the beach, but not for riding a motorcycle. Riders should gear up properly before every ride, even if just riding down the street on a errand. Wearing a DOT-compliant helmet and eye protection is the law in many states, and is strongly recommended everywhere else. Wearing boots that cover over the ankle, long pants, and a riding jacket is also advisable.
3. Ride unimpaired by alcohol or other drugs - Motorcycles and booze don't mix! Government studies show that 46% of riders killed in motorcycle crashes had been drinking. While under the influence of alcohol or other drugs, a motorcyclist's necessary skills, including agility, perception and awareness, are decreased dramatically.
4. Ride within your own skill limits and obey traffic laws - Every rider should know the limits of their ability, and not attempt to exceed them. Humans weren't designed to fly, and unless you're a trained professional on a closed course, stunting, high speed or tricks can only cause you trouble. Follow all traffic laws and be conscious of how road conditions may affect your riding. Using sharp skills and common sense will keep you alive; TRYING TO BE Superman will not.
5. Be a lifelong learner by taking refresher Rider Courses - Motorcyclists should keep in mind that no matter how often or how long they've been riding, there is always room to learn something new. Taking an advanced course to brush up on the basics and work on perfecting current skills is a smart move for any rider.

Thank you for your time. Get out there and ride, be safe and have fun!!!

Thanks,
Ron Matthews, Washington State R.E.D.

Chapter Registration

Your chapter registration of \$150.00 is coming due. Below is the up-to-date chapter registration form (which was also conveniently attached to a recent email as well :). The deadline to have it to the Washington State Treasurer is November 1st so that she, in turn, can get it to Region for processing and then on to the National office no later than November 30th. We would like to highly encourage you to do one of 2 things: bring it, with your check *made payable to GWTA*, with you to the State Officer's meeting on September 18th *OR* mail it directly to our treasurer, Lorine Hegel. Her address is 18713 McGhee Dr E ~ Bonney Lake, WA 98391.

THANKS EVERYONE!!!

GWTA *Destination Friendship* Chapter Annual Registration

Each chapter in GWTA must register annually; registrations are due at the GWTA National Office by November 30th. The fee for registration is \$150 (US). Registrations received with a postmark date after November 30th will incur a \$25 late fee.

The benefits of chapter registration include:

1. The association will bond the chapter treasury for an amount not to exceed \$500.
2. All chapter meetings, chapter events and chapter participants are covered with \$2,000,000 third party liability protection at all times when involved in any GWTA activity. Exception to this coverage occurs when an individual is named as an individual in legal action.
3. The chapter will also be eligible to obtain up to \$2,000,000 of "third party" liability insurance to cover the property or a property owner (a shopping mall for example) for chapter events, *when it is required by a property owner or manager as a condition for using the property for the event.*
4. The chapter may officially register its choice of chapter name (in good taste) with the association. No two chapters may register the exact same name. Registration of chapter names will be on a first come first served basis. Requests for a name change may be made at the time of annual registration renewal.

Let's Ride for Erin Bryan!

Scavenger Hunt through the Snoqualmie Valley! Saturday, September 25, 2010

On March 5, 2010 Erin was admitted to the hospital... within days she was diagnosed with Guillain-Barré Syndrome, which is a disorder in which the body's immune system attacks part of the peripheral nervous system. Erin was on a respirator for 46 days and spent a total of 95 days in the hospital. Between the emergency room and intensive care unit at Valley General Hospital, intensive care at Regional Hospital for Respiratory and Complex Care, and finally in-patient physical therapy at Highline Rehabilitation, we are expecting Erin's out-of-pocket expenses in excess of \$50,000.

Motorcycles, Cars, Trucks... whatever! Everybody is Welcome!

We don't care how many tires your favorite vehicle has... we just want you to join us for a ride and scavenger hunt in and around the Snoqualmie Valley! We'll begin and end our ride at Everett Powersports, 215 SW Everett Mall Way in Everett.

Donation: \$10 donation requested for route... the amount you donate is entirely up to you!

Sign in from 9-10:00 a.m.
Last vehicle out: 10:00 a.m.
Last vehicle in: 2:30 p.m.

At the end of the ride will be a simple BBQ consisting of hotdogs, hamburgers, chips, and water. There will be a donation bucket available... any monies over and above the cost of lunch will also be donated to Erin!

For more information or to RSVP contact Faye Doll at 425-248-1791 or email at faye.doll@comcast.net.
You can also RSVP to the event by searching "Ride for Erin Bryan" on Facebook!
