## Chapter "A" - Seattle Washington

### Bill's Blurb

I want to say it was great to see our friends from Chapter C & Chapter V join us for our Sunday Meeting.

Jim & Donna of Chapter C talked about the 'Blue Crew fun Run' on May 21<sup>st</sup>, flyer attached. Also, Ron & Joanie of Chapter V talked about the last Green Freeze & Banquet, so put it on your calendars.

We also had some old friends join us for breakfast and for the after meeting ride — Ted & Molly surprised everyone. It was great to see them... Hopefully we will see them more often. We also had two special little visitors, Kaitlin & Cameron, Bill & Susi's granddaughters — they are very sweet and behaved wonderful. Kaitlin helped Grandma with the 50/50 tickets.

First, I want to apologize for not attending the Officer's meeting last month in Ellensburg, I have been working very hard and I just forgot. But, Margie and Jeff did attend and were at the meeting to talk about it, please their notes on page 5.

We need to set-up a date for the games and obstacle course for state. Please send your availability or ideas to Al Hennings. We also need to send measurements to Bill Raybell for the booths.

Ellensburg campout deposit has been made, which I have done, with my credit card. We have 4 spaces reserved. Mo-

torhomes/trailers need to do their own reservations.

We have our Gambling State License now for a year. So, a BIG Thank You to Di for all her hard work.

Also, Congratulations to Melanie she is the new State Member Coordinator for young people.

Please send your Get-Well Wishes to John Lawson, he has 5 herniated disk in his neck and to top-it all he also has the flu. We hope you get well soon, John!!

Also, Chapter 'C's April only General Mtg. will be at the Buzz Inn, 1801 Main Street, Lake Stevens, under 21 will need to sit in an adjoining room.

Now, here is something to ponder about... the Holidays are over. January, February & March -- already a thing of the past. Summer --- the future! will soon be upon us...so, get those bikes checked, and GET READY!!!!...as the saying goes... Time flies when you're having fun!!! So, let's have some fun!

until next month, we just want to say....

Be careful out there on the roads.

## Chapter Pride

Every month, at our general chapter meeting, we draw a Chapter Members Name to win the Chapter Pride prize. To win, you must be wearing the chapter colors of a red shirt and black pants or blue jeans. Also, a name pin or name printed on your shirt.

To encourage more guests to join us, we have added a "GUEST" name to the bag. If it is drawn, the guest must have on their chapter colors and name as well. The first guest to sign the guest book for that meeting will be named to win the prize.

The size of the prize will increase by \$10 each month that no one claims it and will start over at \$10 when someone claims it or when it reaches \$100.00.

March was up to \$20.00 and.....

Karen Alexander was there to collect, SO....

April goes back to \$10.00

Don't forget to.....

**BE THERE AND WEAR THOSE CHAPTER COLORS!**

### How's John by Margie

I have had several questions from many members in the organization lately asking about how John is doing. It made me realize that I haven't been the best sister (in-law) at staying in touch with what has been going on in my own family! So I want to take a second and apologize to my sister Jann & my brother (in-law) John for not calling more often to check in on you both" As most of you know John has been out of circulation the past several weeks including not even able to work. With the problems from his Arthritis to the disks in his neck he is in a lot of pain right now and is on several pain medications just to get through the day. Therefore getting out is a real struggle and

with all the Dr appointments he finds himself pretty worn out by the end of the day. He has already had one cortisone shot which has not done a lot for the pain and went in again on Thursday the 24<sup>th</sup> for yet another one. On the 29<sup>th</sup> he will go to a surgeon to see if they can determine a more permanent fix to alleviate the pain. Jann is also having a few health problems with her knee and has finally made an appointment to get it checked out. Just to make life a little more challenging the van is also giving them problems and is in the shop! When it rains it pours and I wish for them a break in the weather! Lets keep them in our thoughts and prayers and I will work on being a better sister and keep closer tabs on you both. Remember I am just a phone call away!

### "D" Spaghetti Dinner — Loretta Huston

On March 5 2011 about 12 members of Chapter 'A' attended the Spaghetti Dinner that 'D' puts on as there fund raiser for the year. There was a good turn out and a lot of nice items auctioned off (not treadmills, and other exercise items as in the past). There was plenty of really good food. A's raffle tickets that were put in (50) went for \$35.00, they were near the last, so maybe that is all the person had or maybe they had spent their money earlier!!

Chapter D put a call into Randy and put him on speaker phone, he seems to be doing well from his last leg surgery, so hope that continues to heal.

When we came out of the Elks in the back - it was really dark- Bob & Lorraine Stiers car would not start, as Dale and I rode with them, Steve & Cameron and Greg & Lisa from chapter "V" was out there and they offered to take us home which was very much appreciate. [Bob went back next morning for the car, and it was minor stuff]. Jay Thompson from "D" was outside also after he tried to make us poor with 50/50 tickets. Except for some door prizes none of us won the big money! Ted and Molly Reitz was on this side of the mountain so they and there granddaughter's attended, it was nice to see them. They even made it to A's meeting the following week.

From Steve & Cameron Gillit: Nic Nicholas of Chapter 'V', has been hospitalized for extremely high blood sugars. He is at Providence Hospital in Centralia. He will have is system flushed & re-hydrated. On March 24 Nic's blood glucose level continued to drop to the point where they discontinued the insulin drip. They also have taken him off his heart monitor. Please keep Nic in your daily thoughts and prayers for a speedy recovery.

Chapter 'M' is collecting items for two different events all year long: 1) school supplies for distribution in August 2) food items for the food bank for delivery in the Spring of 2012. If you bring any of the above items to their general meeting, you will receive a raffle ticket for each item brought. Drawing will be at the end of the event - prize yet to be determined.

### State Officers Meeting - 3/12/11 by Margie Richards

I never knew how much work went into a State Officers meeting except you show up at noon on Saturday have lunch start the meeting at 1:00 and then head back home around 4:00pm! Not the case when you are on State Staff so at this point I would like to thank all those prior State Staff members who came before us and spent all those countless hours making this the great organization that it is today.

That said, the meeting started promptly at 1:00pm and much to our surprise Chapter 'A' was missing! Luckily it was only a case of "Sr. Moment" and nothing happened to them on the way over to Ellensburg, therefore I am writing a recap of the happenings at the State Officers Meeting.

As most of you know a great deal of the discussion was centered around the upcoming 2011 Washington State Rally in Port Townsend on June 30<sup>th</sup> to July 3<sup>rd</sup> get your registrations in now if you haven't already there will be lots to do and see at the Fairgrounds and around town.

- ♦ Every chapter has been given an assignment and Chapter 'A' again this year will have bike games. There will be SRC & First Aid classes along with a couple other special classes thanks to Ron Matthews State Rider Education Director. Along with all the normal fun stuff that a State Rally provides there are a lot of other things we are putting together. Fairgrounds will open at Noon on Thursday (6/30) and opening ceremonies will be at 11:00AM on Friday (7/1), All day/evening of fun stuff on Saturday (7/2), Closing Ceremonies will start at 9:30AM on Sunday (7/3) and the Campground will close at 10:00AM on Monday (7/4). Schedule is still very preliminary and will be posted closer to the rally.
- ♦ Lois Olson - State STP Coordinator gave a report for STP 2011. There is not much going on at this time but there will be a meeting sometime during the State Rally and shirts and supplies will be handed out at that time. She also prepared a

folder that was given to each of the Chapter Directors to give to the chapter STP coordinators with some information and all the appropriate forms.

- ♦ Melanie was announced as the newest State Staff member and she will be the "Youth Advocate Coordinator" or YAC for short. Her job will be the voice of the younger members of our organization and to help plan some activities for the younger members who join us at the state rally.
- ♦ Cameron also discussed the importance that all Chapter Directors open their email frequently especially now that riding season is upon us. Suggested at least every couple of days!
- ♦ Contest updates talked about the Tri-Fold contest and the Safety contest. Keep those tri-folds handy you never know when and where you're going to be asked for one but most important when you need to hand them out to prospective new members.
- ♦ Update on National Raffle tickets by Larry & Kay Cohenour: "We continue to ask for tickets and they are coming slowly but surely".
- ♦ Washington State Family of the year is a couple from Chapter 'Z'. My apologies I don't remember their name. Then we broke into smaller groups of 3-4 chapters and discussed/shared ideas and information on what each chapter does to help promote member retention. After the break each Chapter discussed the outcome and some new ideas.
- ♦ Next State Officer Meeting it was discussed that we get back to doing a potluck and an extra night stay over for any of the CD's just to visit, play cards etc...
- ♦ The next State Officer meeting will be Saturday September 17<sup>th</sup> which also happens to be "Lazy A Daze" ☺

Hopefully this covers most of what was discussed I didn't take minutes so had to go by memory.
