

GWTA Washington Statewide Mileage Game/Contest

This is designed as a fun activity everyone can participate in, and have a chance for some prizes at the end of the year. It is an activity to promote getting on your motorcycle and putting some miles on the road. It's also hoped to add just a little more incentive to attend the State Rally! It will be necessary to be at the State Rally to be a winner in this game.

The rules and how it works:

Entrance fee per motorcycle is \$10 (Make checks payable to *GWTA Washington State*):

- When you enter, we will document the mileage you provide us on your motorcycle, and you pay the entrance fee.
- A year later, at the rally, the ending mileage on your motorcycle is recorded. You are then given one ticket for each 500 miles ridden. The tickets will go into a pot and the winner(s) are drawn during closing ceremonies at the Rally.

The contest starts and stops at the rally. If you are not in attendance at closing ceremonies, you are not eligible to win.

Note for 2016/2017:

This being the first year, the contest will start October 1st and is open to any member who enters no later than a post mark of September 30th. You will still have to be at the rally next year (2017) to win.

To enter this year, mail in your name, address, and odometer reading (honor system), post marked no later than September 30th, along with your the \$10 entrance fee to:
