

March 2011

Hello Chapter L,

Sorry I am so late with getting this out to you. My computer crashed and had to be reset to factory settings and everything reloaded. Needless to say I am slow about getting it done.

I hope this finds you all in good health and that awful cold going around has missed you.

The Mall show for GWRRA Chapter P was a success from what I heard. I myself couldn't make it down but wished I could have.

Always great to see and visit with old friends and make new ones too.

The calendar says March but the weather stills says winter I am hoping spring isn't far off so we can all get riding again.

I hope to see you all out and about and have great fun.
